Government of Mysore.

Sir,

I have the honor to submit for orders of Government the enclosed docket No 81 of 23rd instant with its enclosure received from the Deputy Commissioner, Kadur District regarding the Establishment of a female and Children's dispensary at the Chickmunglur Town.

I have the honor to be

Sir

Your most obedient Servant

Surgeon and Member

Proceedings of the Municipal Meeting of Chittoor. Dated 22nd August 1892.

Present

H. A Sparkes Esquire President
Mr Narayan Ayengar Vice President
Doctor Fernandez. Civil Surgeon
Mr P Sreenivasa Row. Nundidar
" C Krishna Row
" Gundappa
" Poosparnashetti
" Mohamed Ali Sab

Absent

The Executive Engineer
Mr C Sreenivasa Row
Veerathesanda
Baker Sab

This meeting was convened for the purpose of reconsidering whether it was possible to allot funds for the Establishment of a female and Childrens Dispensary in this town as their appears to be such a strong representation on the part of the inhabitants requesting that the institution may be started at an early date. It was resolved at the meeting held in June 1892 that a female and Childrens dispensary is requisite in this town, but as no fund at present available, the matter stood over

reconsidered after the Completion of the water works. It was proposed that as the sum of Rs1000 under the head Public works (6) Roads original was not likely to be required for those works this year that part of the sum be allotted for the necessary charges of the Dispensary this year and that a separate sum be allotted for this work in next year's budget

The resolution was unanimously Carried.

It was further proposed that a less expensive midwife be appointed in place of Mrs O'Leary and so effect a saving.

Resolved that as the present arrangements are giving such general satisfaction and as the board is unwilling to part with the services of Mrs O'Leary that it is not advisable to make any alteration at present in that line but that the Senr Surgeon be requested to appoint a female Hospital Assistant in addition to the present Incumbent.

Government of Mysore

Sir,

In reply to your No 1416 of the 23rd
Ultimo I have the honor to state that I can
spare a female Hospital Assistant for the
proposed dispensary for women and Children
at Chickmagalur and in my opinion having
regard to the extent of the population of the
town it would be well to establish a
dispensary of the kind there as, even
though the General hospital is doing
good work, there must be a large number
of Hindu females whose social position
———— or caste make them
unwilling to attend the General hospital
as out patients either on their own behalf
or that of their Children and thus appeal
with greater force to Mahomedan
Yoshu females who are practically

I have &c

unable to go there and the result most probably is that both these Classes get very inefficiently treated when ill.

2. — I am of opinion that the establishment of a dispensary exclusively for women and Children in Charge of a female doctor here and there in the large Centers of population throughout the State would be very beneficial, morally as well as physically, to the people and I regret that the Municipality of the town of Shemoga decided against one, and so left the Classes referred to in the preceding para practically unprovided for in this way, as there, as at Chickmaglur, the present hospital answers the general wants of the Male population as well perhaps as those of the females of the lower classes, but there are these other portions of the Community which they do not reach and which I think it is very desirable they should.
